## Fuel

All equipment will leave Degenhardt Equipment full of fuel. We ask that you return it full of fuel. Failure to do so will add a fuel replenishment charge to your contract.

## Insurance

Degenhardt Equipment offers loss damage protection. There is a fee of 10% of your total bill for this coverage (\$50 minimum) and comes with a \$2,500 deductible. You can also provide your own insurance; this requires proof of coverage to be turned in to Degenhardt Equipment before the equipment leaves our lot. One of these forms of insurance coverage is required.

Customer must ensure that while equipment is in their possession it is protected against theft, vandalism, and physical damage.

## Transportation

The customer is responsible for transportation of the item(s) being rented. Degenhardt Equipment can deliver and pick the item up for you, but there will be a transportation charge added to the rental contract. (Degenhardt Equipment transportation is subject to employee availability)

## Rental Terms & Conditions

### Problems

If you experience a problem with the item that you rented, call us immediately at 608-823-7434. If you do not inform us of the problem immediately, you will be charged for the full rental time out.

### Damages

If repairs are needed due to misuse, abuse, vandalism, or accident, the customer is responsible for paying for parts and service to have equipment repaired in full.

### Cleaning of Equipment

A service charge will be added for items returned without a proper cleaning after use.
